Trestle Subscriptions

The subscription process will be completed in four steps. Before you begin, please review the instructions below to ensure you have gathered all the information required to successfully complete the process.

- In Step 1, select your business type. To continue, click the Next button appearing beside either Multiple Listing Organization or Technology Provider.

The screenshot shows the Trestle™ user interface for Step 1 of 4. The header includes the Trestle™ logo, a 'Support' link, and a 'Login' button. The main heading is 'Select Your Business Type:'. Below this, there are three selectable options, each with a corresponding button: 'Multiple Listing Organization' with a green 'Next' button, 'Technology Provider' with a green 'Next' button, and 'Broker' with a blue 'Coming Soon' button. A green 'Cancel' button is positioned below the 'Coming Soon' button. At the bottom of the form, the CoreLogic logo is displayed along with the text '© 2017 CoreLogic, Inc. All rights reserved.' and links for 'Legal' and 'Privacy'.

- In Step 2, enter your Primary Contact Information. As the person completing the subscription forms, **you** are probably the Primary Contact who will be responsible for general administration of **your organization's** Trestle account.

The Primary Contact must be someone from your organization who has the authority to approve the Trestle subscription

agreement on behalf of your company. If that is not you, please be prepared to provide **that person's contact information instead.**

To enhance security, a strong password is required. Consequently, your password must contain at least one uppercase letter, one lowercase letter, one number, and one of the special characters listed above the password (such as # or @).

When you have entered all the required Primary Contact Information, click Next.
